Seldom does a popular remedy win such a strong hold up the public confidence as has HALL'S HAIR RENEWER. The cases in which thes accomplished a cor plete restoration of color to the hair, and vigorous health to the sealp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original because it prevents them from getting bald, keeps dandruif away, and makes the hair grow thick and strong. Young ladies like it as a dressing occurse it gives the hair a beautiful glossy justre, and enables them to dress it in whatever form they wish.
